Dear Grandmasters, Masters, Instructors, Coaches, Competitors and Spectators,

The World ITF Taekwon-Do Council is delighted to invite you all to participate in the 2025 Online Open ITF Taekwon-Do Pattern World Championships. This event is for both individual pattern and synchronized team pattern events.

This historic event will be held from 20th January to 13th April 2025 with the Championship Results being published on Monday 14th April 2025.

Following on from the great success of the 2024 Online World Championships, Taekwon-Do competitors from all over the World, from every club, regardless of their affiliation to any national or world organisation, can compete online in 2025 to find the World's best Pattern (Tul) athletes. This event is open to all Juniors (5-17 years), Adults (18-34 years), Veterans (35-49 Years) and Veterans (50 years & over) who hold the ranks of Yellow Belt (8th Kup) to Black Belt (6th Degree).

For our participants, the venue is your choice. You can create your video presentation in your dojang, home, garden or public space, as long as the area is safe for you to perform your movements without risk to you or others.

We look forward to welcoming you all to our official website to enjoy Pattern Skills from some of the very best ITF Taekwon-Do athletes in the World.

Kind regards,

Grand Master Peter Harkess

President

World ITF Taekwon-Do Council

CERTIFICATE AWARDS

Due to the extraordinary difficulties experienced from 2021 to 2023 with the delivery of medals to certain countries, and the large number of medals posted but never received, we have taken the difficult decision to only award printable certificates to all competitors. As this reduces the amount of time and cost for the administration of the championship, we have reduced the cost to enter the event.

The following Certificates will be awarded per division:

1st Place - Gold

2nd Place - Silver

3rd Place - Bronze

Certificates for all competitor's 4th place and above will also be provided with their name and result printed.

All A4 size certificates will be provided by email in pdf format to be printed locally.

The following scoring criteria will be used to tally each Country's overall score:

Gold = 3 Points

Silver = 2 Points

Medal = 1 Point

The 'WORLD CHAMPIONS' title will be awarded to the Country with the most points accumulated.
